AIO-SL35 Data Sheet

Features

- Premium quality solar home system. Lighting Global certificate;
- A grade LiFePo4 battery, over 2000times deep cycles,life span over 5-8 years;
- Delicate appearance, outstanding logo design enhance brand identification;
- AC car charger output .It can build-out 300w inverter, enrich the product convenience.

Specifcation	
Model	AIO-SL35 Solar home system
PV module	60w solar panel with 8m cable
LiFePo4 Battery	12.8V/18AH
LED	1.5w 12v *3PCS, 180LM /PCS
Cable	Each bulb with 5m cable
Output	USB output: 5v2A output*4 (Mobile charging)
	12V ouptput: 12V output*4 (LED bulb, DC TV, DC fan)
	12V Car charger: DC TV, (can connect to 300w inverter)
Protection	Overcharge, Over discharge, overload, Short circuit, Inverse connection
Usage	Support laptop/fan/bulb
